

Amalgamate more than Victoria, Saanich

Re: "Saanich, Victoria agree to explore amalgamation," April 25.

I am all for amalgamation, but not for Victoria and Saanich alone. That amalgamation wouldn't get rid of the Capital Regional District, one of the biggies for non-accountability and inaccessibility.

article continues below

With a major amalgamation, the function of the CRD could be absorbed by the "new" city, and the unelected body would then have elected accountability, as it would fall under leadership of the new council of the new city.
