

May 19: Envision future led by Stew Young

Times Colonist
MAY 17, 2019 03:58 PM

Re: "Saanich could join efficient Langford," letter, May 15.

As a Victoria resident, I agree 100 per cent with the writer who advocates for Langford to be included in plans for the amalgamation of any municipalities in Greater Victoria. Just imagine what the future would hold in dealing with major issues such as transportation, housing and climate change with a proven entrepreneur/politician, Langford Mayor Stewart Young, at the helm.

Elizabeth Kozak
