Report

To: Mayor and Council
From: Angila Bains, Manager, Legislative Services/Municipal Clerk
Date: May 20, 2021
Subject: Citizens' Assembly – Provincial Funding Request

RECOMMENDATION

That Council receive the report for information and endorse the attached letter to be submitted to the Ministry of Municipal Affairs to commence the funding application which will support the establishment of a Citizens' Assembly to explore the costs, benefits and disadvantages of amalgamation between the District of Saanich and City of Victoria.

DISCUSSION

District of Saanich and the City of Victoria staff met with staff from the Ministry of Municipal Affairs to seek direction on how to seek provincial funding to commence the Citizens' Assembly process which will explore the costs, benefits and disadvantages of amalgamation of the two municipalities.

Ministry staff requested an outline of the following to be included for any funding requests to ensure a comprehensive application package:

1. Scope of study, rationale for undertaking the study and description of processes.
2. Process for adjusting the scope of the approved Terms of Reference.
3. Preliminary budget.
4. Oversight - staff responsible for the funding agreement and any applicable Requests for Proposals.
5. Deliverables.
6. Process for determining next steps. (What will Council's receive from the Citizens' Assembly? How will they manage the Citizens' Assembly findings?)

Ministry staff also shared their experience from the Duncan/North Cowichan Referendum and noted that it would be of benefit for Saanich and Victoria to consider an Implementation Plan based on the results of any recommendations from the Citizens' Assembly should both municipalities pose a ballot question for its constituents.

At this time staff can advise that the procurement of an independent consultant to facilitate a Citizens' Assembly process is the priority and secured funding from the Province is essential in order for this initiative to advance any further.

ALTERNATIVES

1. That Council receive the report for information and endorse the attached letter to be submitted to the Ministry of Municipal Affairs which will commence the funding application to support the establishment of a Citizens' Assembly to explore the costs, benefits and disadvantages of amalgamation between the District of Saanich and City of Victoria.
2. That Council provide alternate direction to staff.

FINANCIAL IMPLICATIONS

Councils for both Saanich and Victoria have approved \$250,000 for the Citizens' Assembly process and endorsed an overall budget of \$750,000. Councils are now initiating a request for the Province to fund 1/3 of the costs up to \$250,000. However, Council's could anticipate future requests for funding to address the Ministry's comments about ensuring that the public is provided with an implementation plan should be it be necessary based on the outcome of the recommendations from the work of the Citizens' Assembly.

CONCLUSION

Staff have prepared the attached letter for Council's endorsement which is intended to commence the request for funding support for the Citizens' Assembly.

Dear Minister:

Re: Citizens' Assembly – District of Saanich and City of Victoria

In the 2018 General Local Election, the District of Saanich and City of Victoria jointly asked the following community opinion question by ballot to its electors:

“Are you in favour of spending up to \$250,000 for establishing a Citizens' Assembly to explore the cost, benefits, and disadvantages of the amalgamation between the District of Saanich and City of Victoria.”

Both municipalities had a favourable response from its electors in establishing a Citizens' Assembly which lead to Saanich and Victoria working together to endorse and approve a Terms of Reference for a Citizens' Assembly.

Saanich and Victoria staff recently met with Ministry of Municipal Affairs staff and presented the approved Terms of Reference and other background documents in order to seek guidance in moving forward to request funding from the Province. Saanich and Victoria are requesting that the Province allocate funds to support 1/3 of the costs in undertaking the Citizens' Assembly which would include a civic lottery for membership, facilitation of the assembly, technical review, oversight panel and a final report. Staff have anticipated overall costs to be approximated at \$750,000.

Ministry staff felt the following questions should be addressed by Saanich and Victoria prior to the Province's consideration of any funding requests:

1. Scope of study, rationale for undertaking the study and description of processes.
2. Process for adjusting the scope of the approved Terms of Reference.
3. Preliminary budget.
4. Oversight - staff responsible for the funding agreement and any applicable Requests for Proposals.
5. Deliverables.

6. Process for determining next steps. (What will Council's receive from the Citizens' Assembly? How will they manage the Citizens' Assembly findings?)

Saanich and Victoria have addressed the information requested in an attached table and at this time are requesting that the Ministry of Municipal Affairs consider funding the Citizens' Assembly process either through a grant process or by approval of funds through the Treasury Board. Should you require any further clarification or information on the process to date, Council's and staff are available to provide any clarity and welcome any feedback. We wish to ensure good relations with the Province and maintain an open and transparent process for our residents.

Sincerely,

Fred Haynes
Mayor

<p>3. Preliminary budget.</p>	<p>Staff undertook some preliminary work on providing costs associated with facilitating a citizens' assembly. The following is a breakdown based on conservative estimates:</p> <ol style="list-style-type: none"> 1) Civic Lottery Process: \$20,000 – the process anticipates a 5% response rate on invitations sent out to the community. At a minimum 20,000 letters should be sent out from each municipality. 2) Printing/postage: \$40,000 (\$2.00/letter) 3) Facilitated Sessions: \$230,000 – this would include 13 staff for a 75 member assembly for up to 12 meeting sessions and 3 public input/roundtable meetings. Important for Council to note that it is recommended a 1-6 ratio of member to staff based on a 75 member assembly (note these costs would be

	<p>reduced if the number of participants was reduced).</p> <p>4) Venue Costs: \$60,000 – this is strictly for the cost of webcasting for the Victoria Conference Centre (host location).</p> <p>5) Honorariums: \$90,000+ (based on 75 participants)</p> <p>6) Refreshments/breaks: \$30,000</p> <p>7) Technical Analysis – 250,000 – 350,000</p> <p>The total costs are estimated in the range of \$720,000 to \$820,000 and both Councils initially approved a maximum budget of \$750,000.</p> <p>The total costs may need to be adjusted. Once the Citizens' Assembly is concluded and depending on outcome/recommendations both Council's will need to consider funding a consultant to deliver an implementation plan prior to going to the public with a ballot question.</p>

Terms of Reference – Citizens’ Assembly between the District of Saanich and the City of Victoria

Revised: March 22, 2021

Terms of Reference

The following Community Opinion Question was included on the ballot for the 2018 General and Local School Board Elections in Saanich and Victoria and supported by a majority of voters in both municipalities.

“Are you in favour of spending up to \$250,000 for establishing a Citizens’ Assembly to explore the costs, benefits and disadvantages of the amalgamation between the District of Saanich and the City of Victoria?” (the “Question”)

1.0 The District of Saanich and the City of Victoria Objectives

The municipalities of Saanich and Victoria have adopted an innovative and transparent public process to explore the costs, benefits and disadvantages of the amalgamation between the District of Saanich and the City of Victoria (the “Question”).

The Citizens’ Assembly (the “Assembly”) process is expected to be a deliberative one, providing the residents of Saanich and Victoria with the opportunity to directly and actively participate.

The Assembly is expected to be an impartial advisory body that is tasked with representing the residents of Saanich and Victoria in investigating the costs, benefits and disadvantages of the amalgamation between the District of Saanich and the City of Victoria. In doing so, the Assembly will exemplify the highest standards of transparency, accountability and citizen engagement in delivering their report findings to the respective municipal Councils.

In establishing the Assembly, the municipalities have three objectives:

- 1.1 To learn about the costs, benefits and disadvantages of the amalgamation between the District of Saanich and the City of Victoria including shared and contrasting values, concerns and needs of residents of Saanich and Victoria regarding neighbourhoods, change, growth, service delivery, governance, capital and infrastructure needs, land use planning, emergency services and strategic and regulatory frameworks.

- 1.2 To fully understand the costs, benefits and disadvantages of the amalgamation between the District of Saanich and the City of Victoria including residents' visions for the future of their respective community and potentially an amalgamated Municipality.
- 1.3 To provide local residents with an unprecedented opportunity to explore the future of Saanich and Victoria.

- 2.3 Effective Representation – The Assembly will be charged with the responsibility of representing the needs and interests of the residents of Saanich and Victoria. The members of the Assembly will be selected to broadly represent the demographics of the municipalities.
- 2.4 Accessibility – The Assembly will provide reasonable supports to address barriers that may prevent a member of the Assembly from participating successfully.
- 2.5 Independence – The Assembly will have full independence to determine how to best fulfill its mandate, under the advisement of an experienced, third-party consultant who will facilitate the Assembly process.
- 2.6 Well-Informed – The Assembly's recommendations will be informed by a range of perspectives and sources of expertise including the technical report.
- 2.7 Balance – The Assembly will consider a diversity of voices and perspectives in its deliberations. The Chair will work to ensure that there is room for all voices.
- 2.8 Collaborative Decision-Making – The Assembly will work towards consensus when drafting their recommendations, while also respecting and documenting differing perspectives among its members.

3.0 Mandate of the Citizens' Assembly

The Assembly is tasked by the District of Saanich and the City of Victoria to explore the costs, benefits and disadvantages of the amalgamation between the District of Saanich and the City of Victoria.

4.0 Constraints on the Citizens' Assembly

The Assembly will enjoy wide latitude, subject to the processes and mandate laid out in the Terms of Reference, in its ability to make recommendations to Saanich and Victoria regarding the costs, benefits and disadvantages of the amalgamation between the District of Saanich and the City of Victoria.

Recommendations must take into consideration the information gathered by a third-party technical team. In accordance with the process guidance provided by the Ministry of Municipal Affairs and Housing, the Municipal Councils of Saanich and Victoria will have the final authority to accept, modify or reject specific recommendations from the Assembly subject to the processes and mandate laid out in the Terms of Reference.

This Assembly will make fact-based, evidence-based and informed recommendations to the Councils in order to determine a path forward.

As per Section 8.2.3 above, a group of three members representing Saanich and three members representing Victoria may request that the Chair call a vote on any given matter. Once the six members ask for this, the Chair must ask the Assembly to decide the matter by vote.
