

# Disparity in Salt Spring, capital region funding

Re: "Salt Spring incorporation bid rejected," Sept. 10.

So let me see if I understand the numbers — \$255,000 from the province to finance a process that just ended in a definitive result for the residents of Salt Spring Island, and \$98,000 to study service integration and governance for the 380,000 residents of Greater Victoria.

Go figure.
