2. Leading up to the November 14, 2014 municipal election, all municipalities were requested to add a common non-binding question on the municipal ballot to gauge public interest in an study of local governance. 8 of 13 municipalities acquiesced, but placed uniquely-worded questions on each ballot. The (then) Saanich Mayor and Council resisted this request, but eventually public pressure forced the issue and the Mayor formulated an opaque question on the Saanich ballot. It resulted in an 88% YES vote, the highest affirmation in the regional average (75%). See:
